Quality made

Quality is an importance for us - the quality of our designs, materials, manufacture, service, even the quality of our lives. Whatever we do, it has to be the best for every product. Researched, developed, manufactured and tested at our state-of-the-art production facilities, environmental-friendly material we use is unrivaled for strength, durability, weather fastness.

Made with passion and pride

Along the way, we've developed a special understanding for the needs of our contract partners.

Experience, Versatility, Patience. In the professional area , you'll find all relevant information

and imagery pertaining to our collections always at the ready with fast, comprehensive, professional

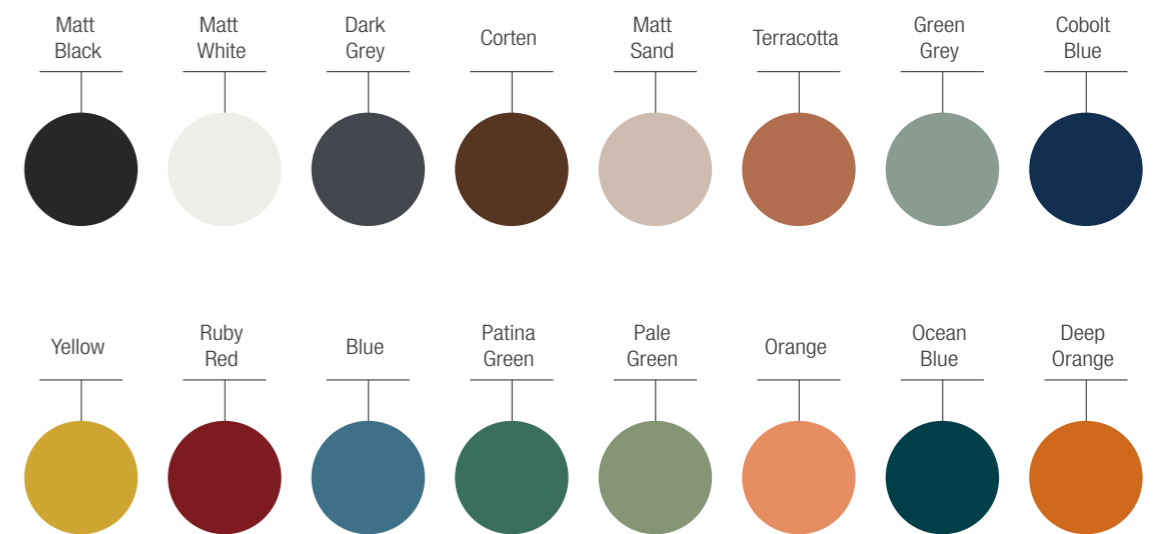

support to help you achieve your goals - today, tomorrow and beyond.

Customized your colours

All of our products are available in custom colours. Rich and vibrant colors for a different visual experience. Not only does it bring new life to a minimalist concept, but it also brings detailed decorative elements.

Weather & Atmospheric Resistant Finish

new metallic finish

In autumn 2021, has revamped the rechargeable table lamp with a metallic finish. To complete the range of rechargeable table lamps, has introduced lustre chrome, lustre gold, lustre copper and lustre space grey to meet the functional requirements of modern spaces.

TABLE LAMPS

With practicality always in mind, the various styles of table lamps ensure that you get the best style you like.

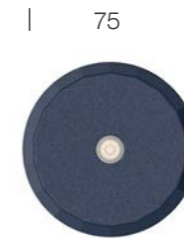

New Micro Series

New micro series includes 9 mini table lamps, they are GLORIA, ALICE, DAISY, BELLS, BELLA, AGNES, NORDIC, BOWING, FLONA. In the case of the original function remains unchanged, the series than the previous conventional series down 40% of the volume as well as 30% of the price, is a good choice for outdoor and home life, but also suitable for HeReCa use.

GLORIA

TECHNICAL INFORMATION

LEDs: OSRAM SMD2835 / CRI≥80 / 2.2W / DC3.7V / 160lm

Switch: Touch ON/OFF / Stepless dimmable 5%-100% / Colour temperature 2200K&3000K / Memory function

Battery: Li-ion battery / 3000mAh / Charge time≤4.5hours / Working time≥9.5hours(100% light intensity)

Adapter(Optional): CLASSII / Input AC100-240V / Output DC5V1A

Micro multi contact charging shelf(optional): Stackable up to 3 levels. One charger shelf charges 15 table lamps together.

Others: Safety ClassIII / IP65 / Weight 425g

More than Lamps

Functional series is an innovative portable rechargeable lamp. The lamp body is made of aluminum die-casting, forming a simple and atmospheric geometric shape. Its mission is not only lighting, but also highly decorative and practical.

Description: Round shape single charger (contact charging base).

FLOOR LAMPS

Floor lamps combine intelligent innovation with the highest standards of design. Inspired by the feeling of evening breeze, think about human sustainability, then combine with modernist architecture style and new technology.

APOLLO

TECHNICAL INFORMATION

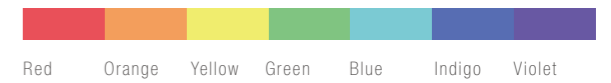

LEDS: OSRAM SMD2835 / CRI≥80 / 10W / DC3.7V / 810lm

Switch: Press ON/OFF / Stepless dimmable 5%-100% /
 Colour temperature: 2700K, 3000K & 4000K (switchable) /
 RGB: Red, orange, yellow, green, blue, indigo & violet (switchable) /
 Memory function: Memory of brightness, colour temperature and RGB

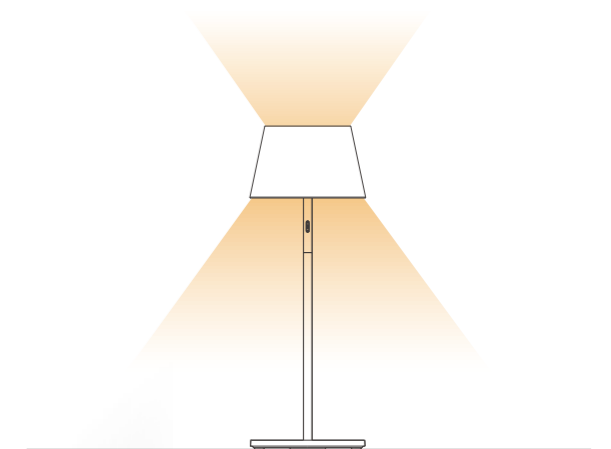

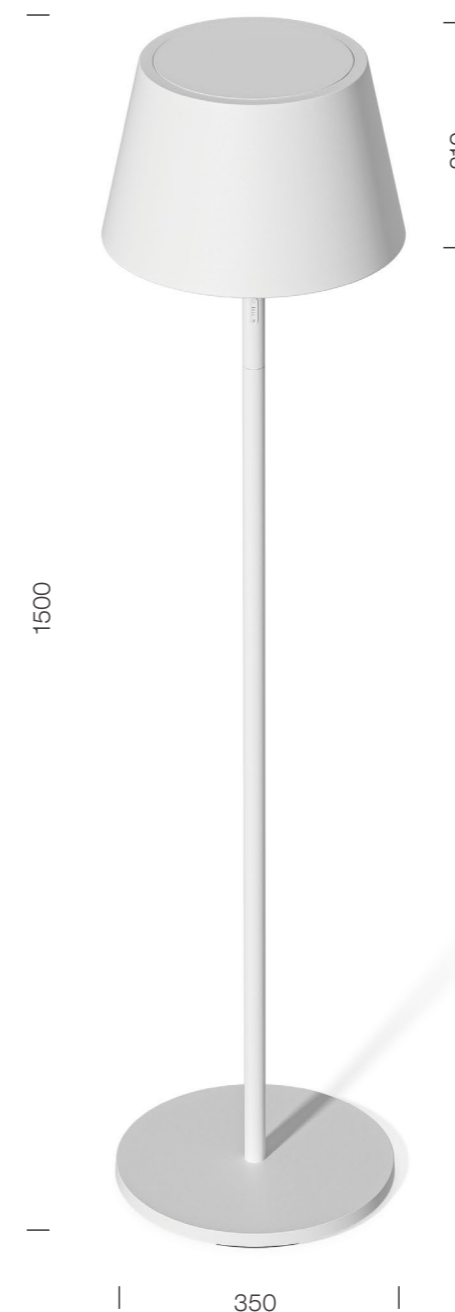

Battery: Li-ion battery / 13200mAh / Charge time≤7hours /
 Working time≥11hours(100% light intensity)

Adapter(Optional): CLASSII / Input AC100-240V / Output DC5V3A

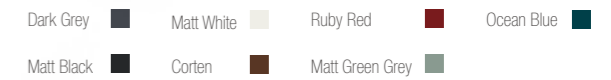

Others: Safety ClassIII / IP65 / Weight 9400g

CONTACT CHARGING

Item No.: A0207

Description: Floor lamp round shape single charger (contact charging base).

Item No.: A0209

Description: USB Adapter, CLASS II, Input AC100-240V, Output DC5V 3A.

Three Detachable Lamp Poles

The pole consists of three detachable poles which are not only easy to pack and transport, but also allow you to choose the height of the light to suit your needs.

Weather & Atmospheric Resistant Finish

Waterproof IP65

- ON/OFF & Dimmer Switch
- Battery Indicator
- CCT & RGB Switch

Double Switch & Battery Indicator

ON/OFF & dimmer switch, CCT & RGB switch. Memory of brightness, colour temperature & RGB.

The battery indicator will tell you when you need to charge, so that it doesn't affect your experience.

Simple Appearance

The appearance keeps simple geometry to bring clean and harmonious feeling. The design gives a reliable in & outdoor lighting tool.

MAGNETIC CHARGING

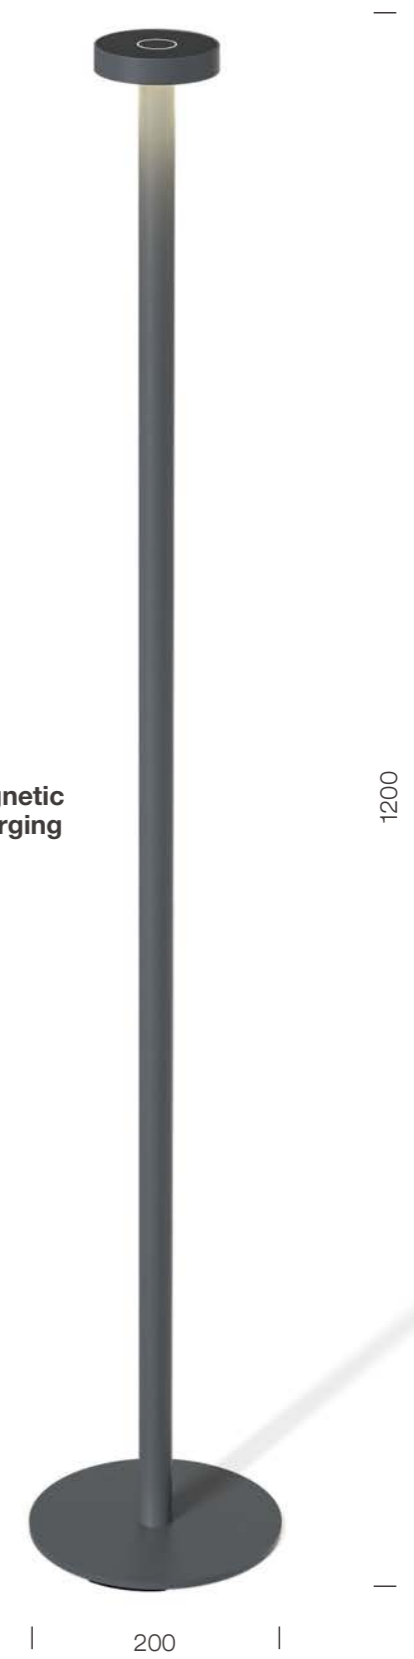

Item No.: A02012

Magnetic contact charging system: 1.5m USB cable included.

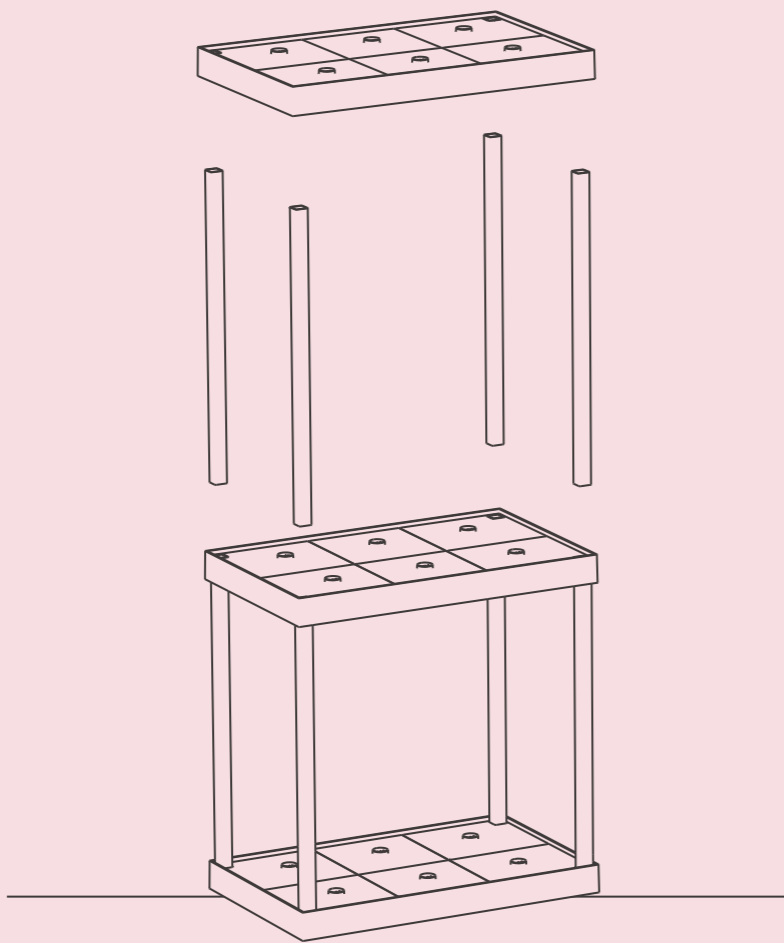

1200

200

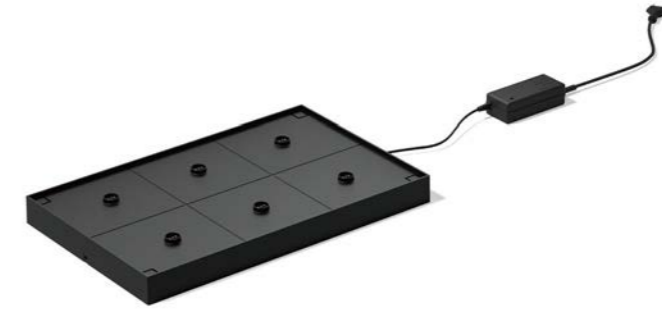

ACCESSORIES

Accessories include various charging shelves to provide convenient charging options for HeReCa and give customers more freedom to give the product different applications.

6 Multiple Contact Charging Shelf

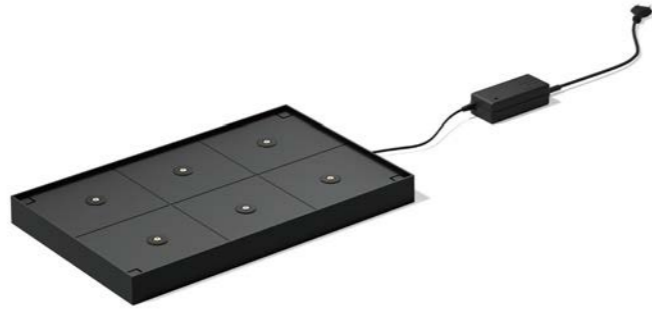

Item No.: A0201

Recharging and storage multi-contact charging shelf. Stackable up to 3 levels. One charger shelf charges 6 table lamps together.

6 Multiple Magnetic Contact Charging Shelf

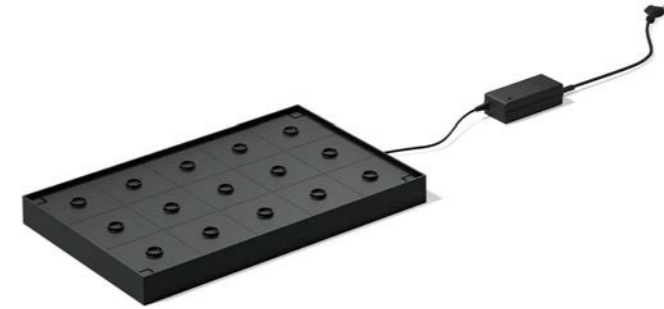

Item No.: A0214

Multi magnetic contact charging shelf. Stackable up to 3 levels. One charger shelf charges 6 table lamps together.

Micro 15 Multiple Contact Charging Shelf

Item No.: A0217

Micro multi contact charging shelf. Stackable up to 3 levels. One charger shelf charges 15 table lamps together.

Ideal for HoReCa

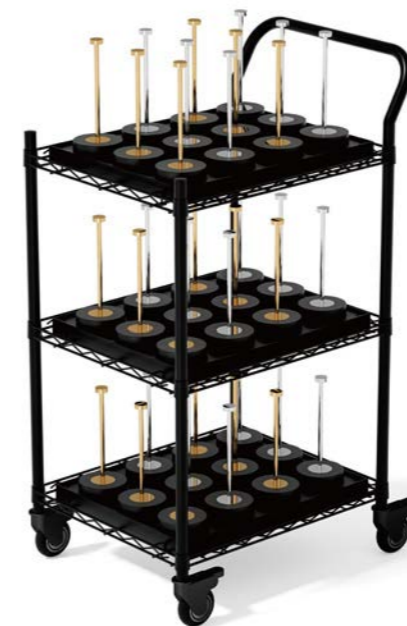

Trolley

Item No.: A0218

Trolley which can carry contact charging shelf, magnetic charging shelf. One trolley carries 6 charging shelves.
